

Great news! The Edmonton Public Library (EPL) in partnership with ECSD is providing **free** public library cards to students and your child is eligible to receive one.

We have what it takes to get your child to the top of the class. An public library card is a great way to support literacy and learning and instill a love of reading in your child. EPL shares a world of fun and stories and helps set up students for success.

Please fill out the **SchoolEngage** form if you would like your child to get a library card; or, if your child already has a library card, to inform the library of any change in your child's membership information (phone number, address, new school, etc). This will keep your child's existing membership active and up-to-date.
